

Connacht Schools – Senior A League 2017/18

League Structure

- 10 teams will be split into 2 pools on a random. The draw for these pools was made at a meeting of the Age Grade Committee on 22/05/2017.
- Teams will play each other once only in each pool.
- The top placed finisher in each pool will compete in the league final.

NOTE: The Junior and Senior A cups to begin on Wednesday 22/11/2017.

Important Points

- Schools matches can only be played on Tuesdays, Wednesdays and Thursdays. Club matches will be played on Saturdays and Sundays. Only in exceptional circumstances and with the prior permission of Connacht Rugby can clubs or schools play on days other than those listed above. This is essential to observing the 48 hour rule for dual players.
- The default time for schools matches is 12pm on Wednesdays. Schools may mutually agree to play at any time on Tuesday, Wednesday or Thursday of a given week but the correct procedure must be followed for organising all matches.

Player Registration & e-teamsheets

- All player must be registered on the Clubhouse system to compete in schools competitions.
- All schools must complete e-teamsheets for every match. This will be monitored weekly throughout the season and sanctions will apply for non-compliant schools.
- Any schools who do not have up to date login details for these systems should contact Richard.doyle@connachtrugby.ie.
- Workshops and training sessions will be organised prior to the start of the season for anyone who needs help using these systems.

Final Date

- Final to be played on Wednesday 08/11/2017.
