

# Connacht Schools – Junior Emerging League 2017/18

## League Structure

- 13 teams will be split into 3 pools on a regional basis.
- This will mean there is one pool with 5 teams and two pools of 4 teams.
- Teams will play each other once only in each pool.
- The top two teams in the pool of 5 teams will qualify for the semi-finals. The top placed finisher in each of the two pools of 4 will qualify for the semi-finals.
- Of the teams who finish top of the pools of 4 teams, the team with the highest number of points will play the second placed finisher in the pool of 5 in the semi-final.

**NOTE:** The Junior and Senior Emerging & Development Cups will be run with a maximum pool size of 4 teams. This means the first round won't need to be played until Wednesday 10/01/2018.

## Important Points

- All teams should note the date of their fixtures below very carefully. Due to differences between the structure of the A Leagues and the Development and Emerging Leagues some dates have been altered compared to the season plan.
- Schools matches can only be played on Tuesdays, Wednesdays and Thursdays. Club matches will be played on Saturdays and Sundays. Only in exceptional circumstances and with the prior permission of Connacht Rugby can clubs or schools play on days other than those listed above. This is essential to observing the 48 hour rule for dual players.
- The default time for schools matches is 12pm on Wednesdays. Schools may mutually agree to play at any time on Tuesday, Wednesday or Thursday of a given week but the correct procedure must be followed for organising all matches.

## Player Registration & e-teamsheets

- All player must be registered on the Clubhouse system to compete in schools competitions.
- All schools must complete e-teamsheets for every match. This will be monitored weekly throughout the season and sanctions will apply for non-compliant schools.
- Any schools who do not have up to date login details for these systems should contact [Richard.doyle@connachtrugby.ie](mailto:Richard.doyle@connachtrugby.ie).
- Workshops and training sessions will be organised prior to the start of the season for anyone who needs help using these systems.

## Semi-Final and Final Dates

- Semi-finals to be played on Wednesday 08/11/2017.
- Final to be played on Wednesday 22/11/2017.
